Re: Candace Schelberg-Pezzuti V. Christopher Schelberg, et al.  
USDC SDNY Civil Action No. 07 CV 3602(CLB)(GAY)

Dear Magistrate Judge Yanthis:

My firm represents the defendant in this action. By a previous memo endorsed letter to the Court dated May 30, 2008, the date for service and filing of defendant's motion to dismiss or in the alternative for summary judgment was adjourned to June 17, 2008. I had fully expected to serve and file the papers by that time.

Since requesting the adjournment, I have been pressed into urgent service to respond to an U.S. Department of Justice Civil Rights investigation of one of my firm's clients and have been unable to complete the motion despite my efforts to do so.

I respectfully request that the Court allow me another week, to June 24, 2008 to complete the motion. This request is not being made for purposes of delay and it appears that there will be no prejudice to the plaintiff *pro se* by the granting of this second modest adjournment.

Thank you very much for considering my request.
